

Public Submissions

We have converted 62 full LA City Council District plans to our “Atlas” format which includes:

- Cover page with full districting plan overview.
- Data table with population, deviations, ethnic population, Citizen Voting Age Population (CVAP), and Ethnic CVAP totals and breakdowns for each district.
- Individual district maps with street-details and data tables and charts.

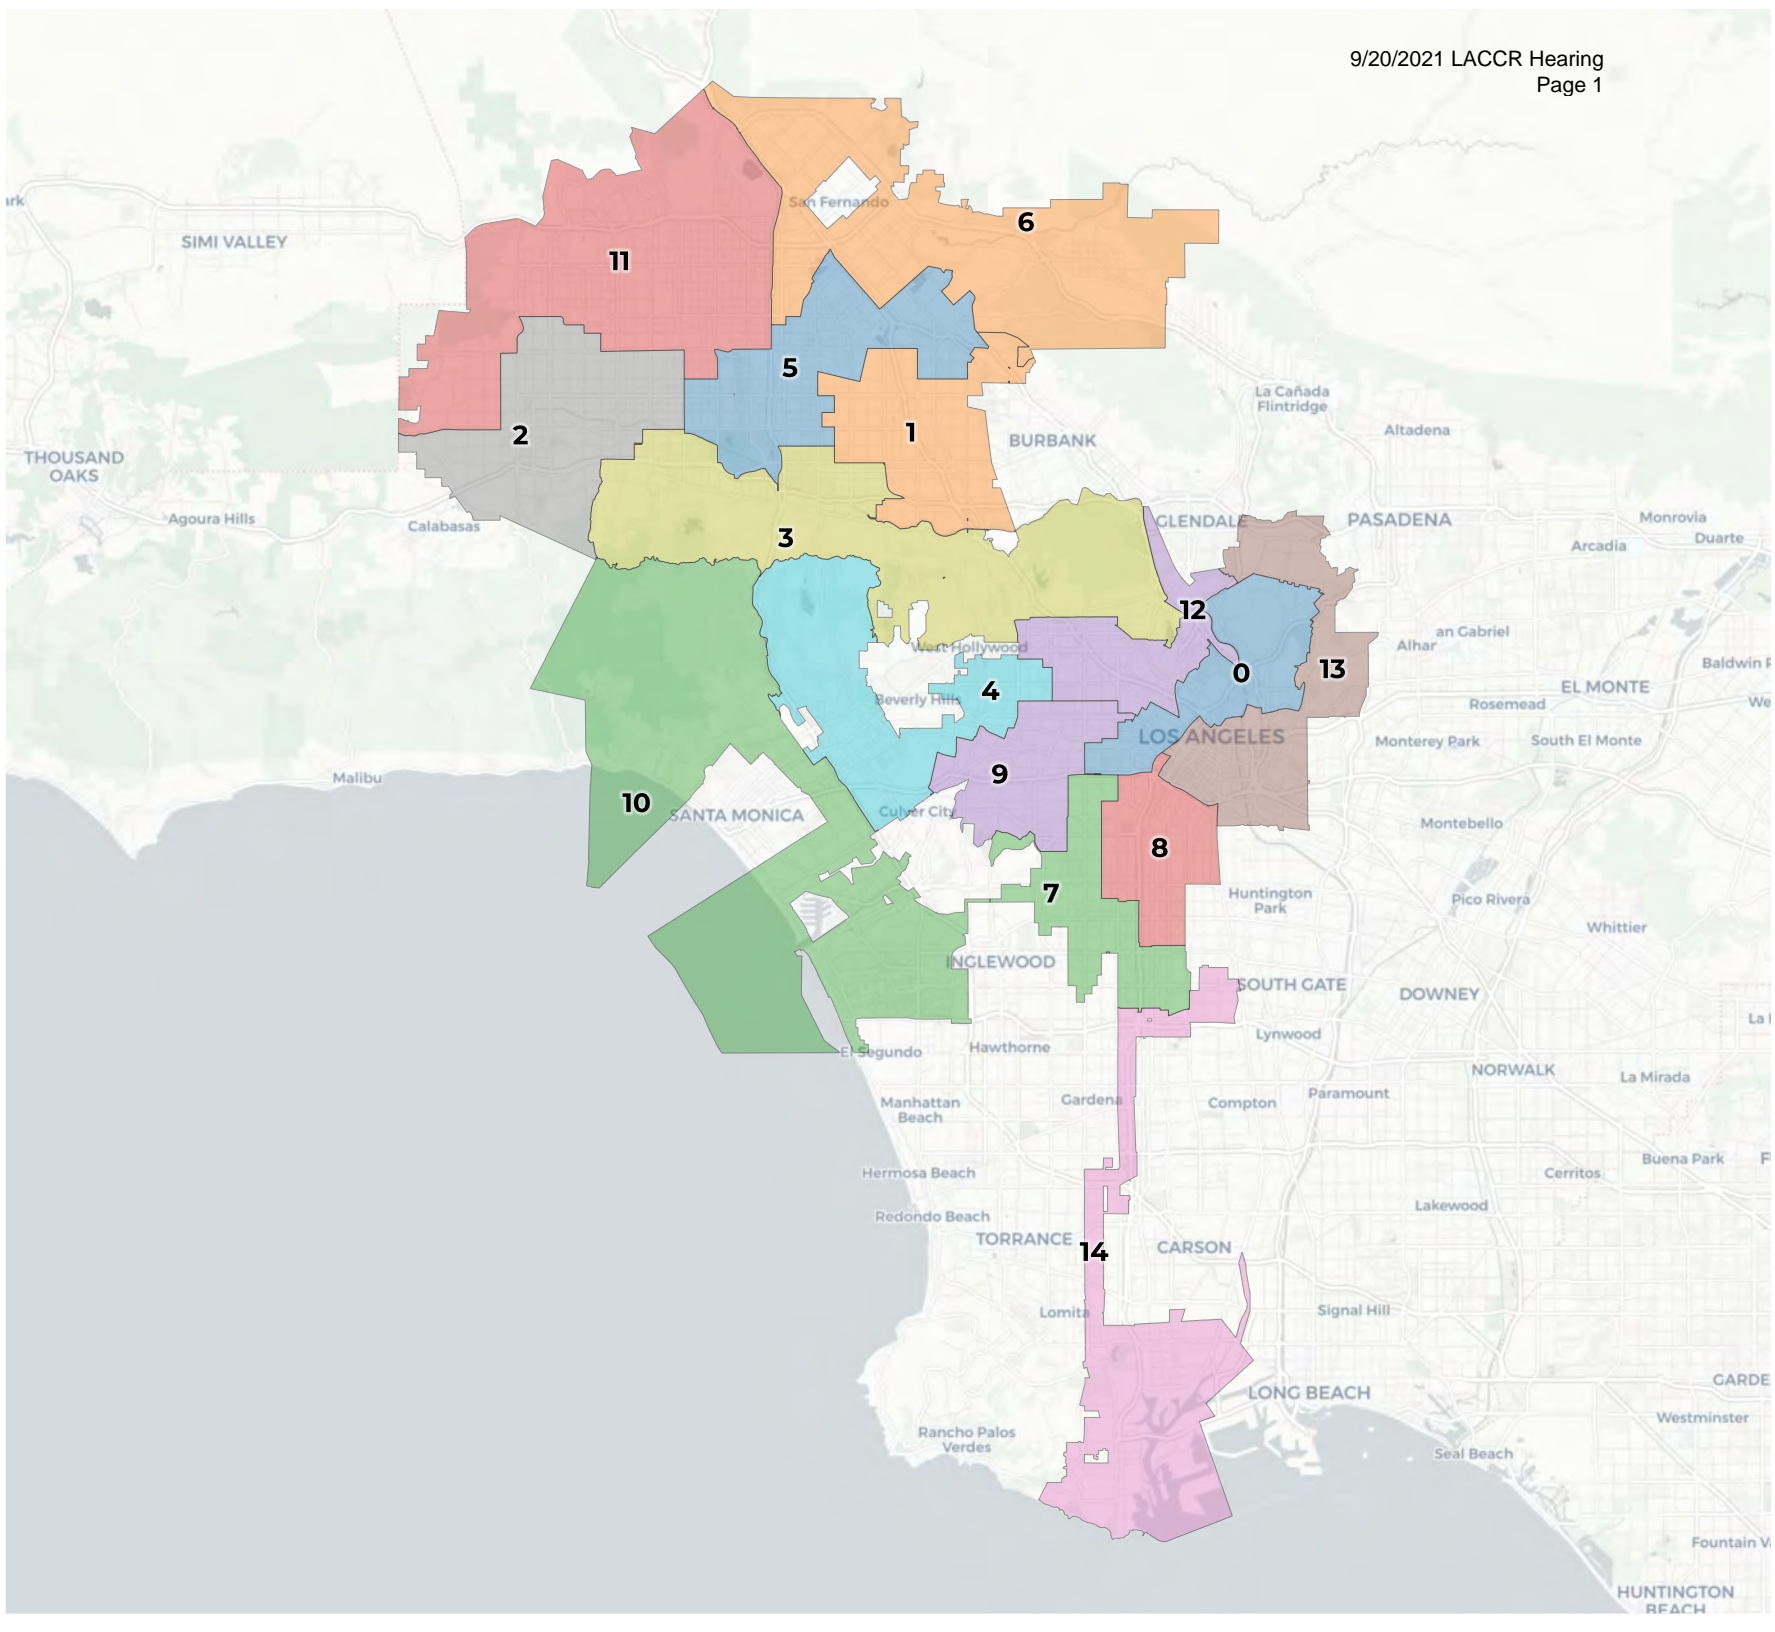

Note: these are not all perfect, they are the raw submissions and may have errors or not meet all required criteria. All 62 plans are available via the dropbox folder on the commission website.

This packet includes five public submissions that best fit the interregional criteria.
