

Second Draft Plans

Based on the commission discussion on draft plans A – D we have produced a new Plan E, with modifications labeled Plans F, G, and H.

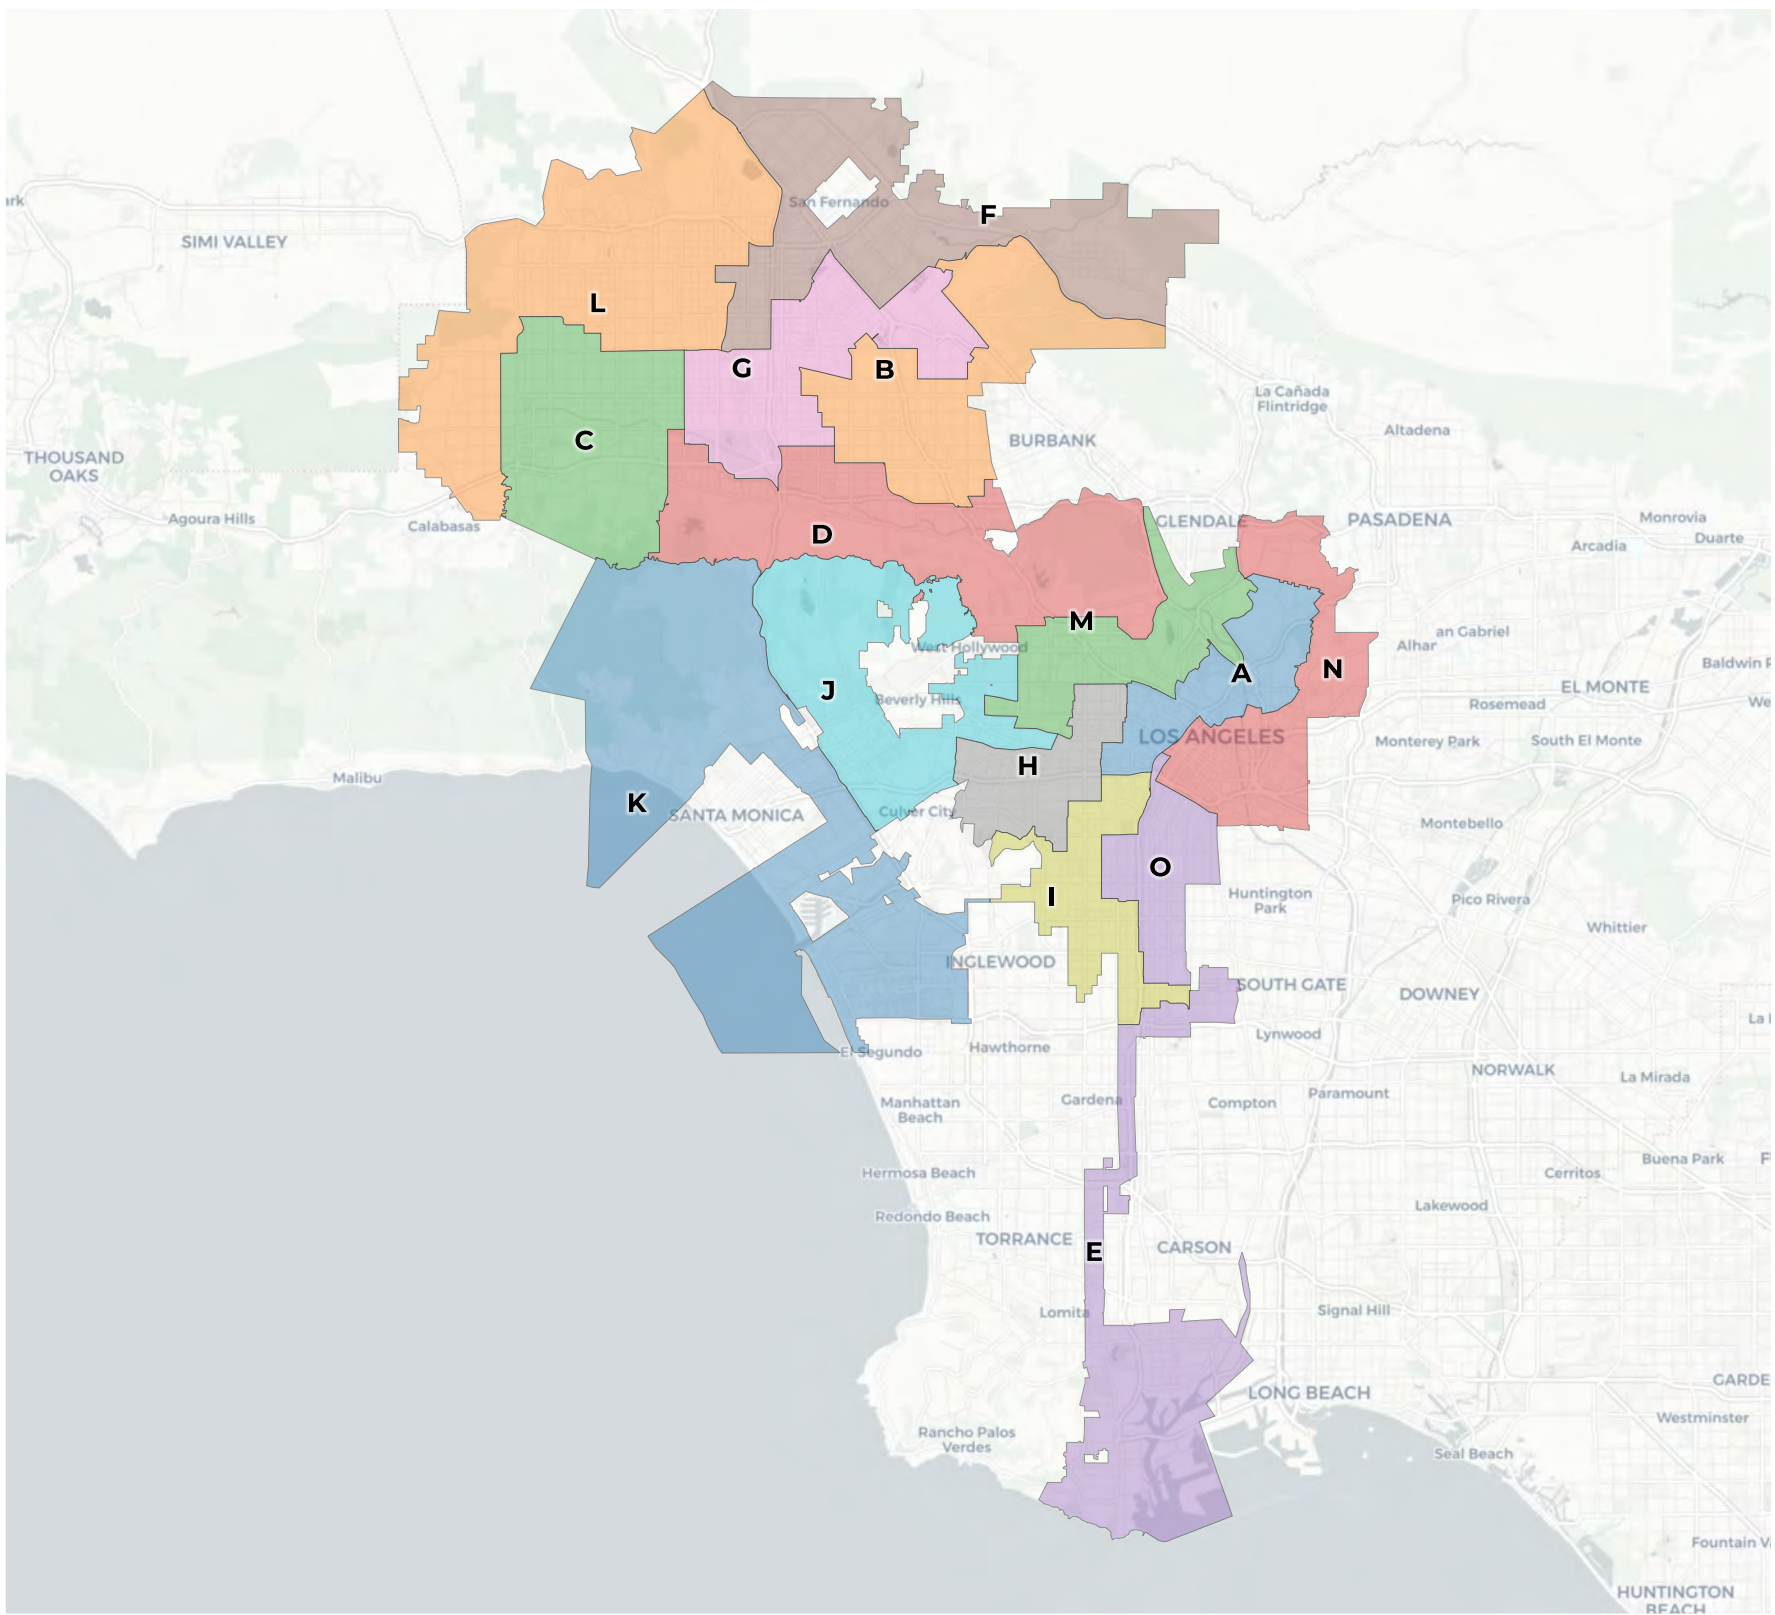

- Starting point of these plans was the modified public submissions.
- These plans seek to balance regional preferences, interregional configurations, city charter and Voting Rights Act requirements.
- Plans F, G and H are versions of E with only differences in the southern region.

These maps are using the Prison Population Adjusted data which was released last night.
