

Third Draft Plans

Based on the commission discussion on draft plans A – D then a Plan E with modified F, G and H, and commission discussion.

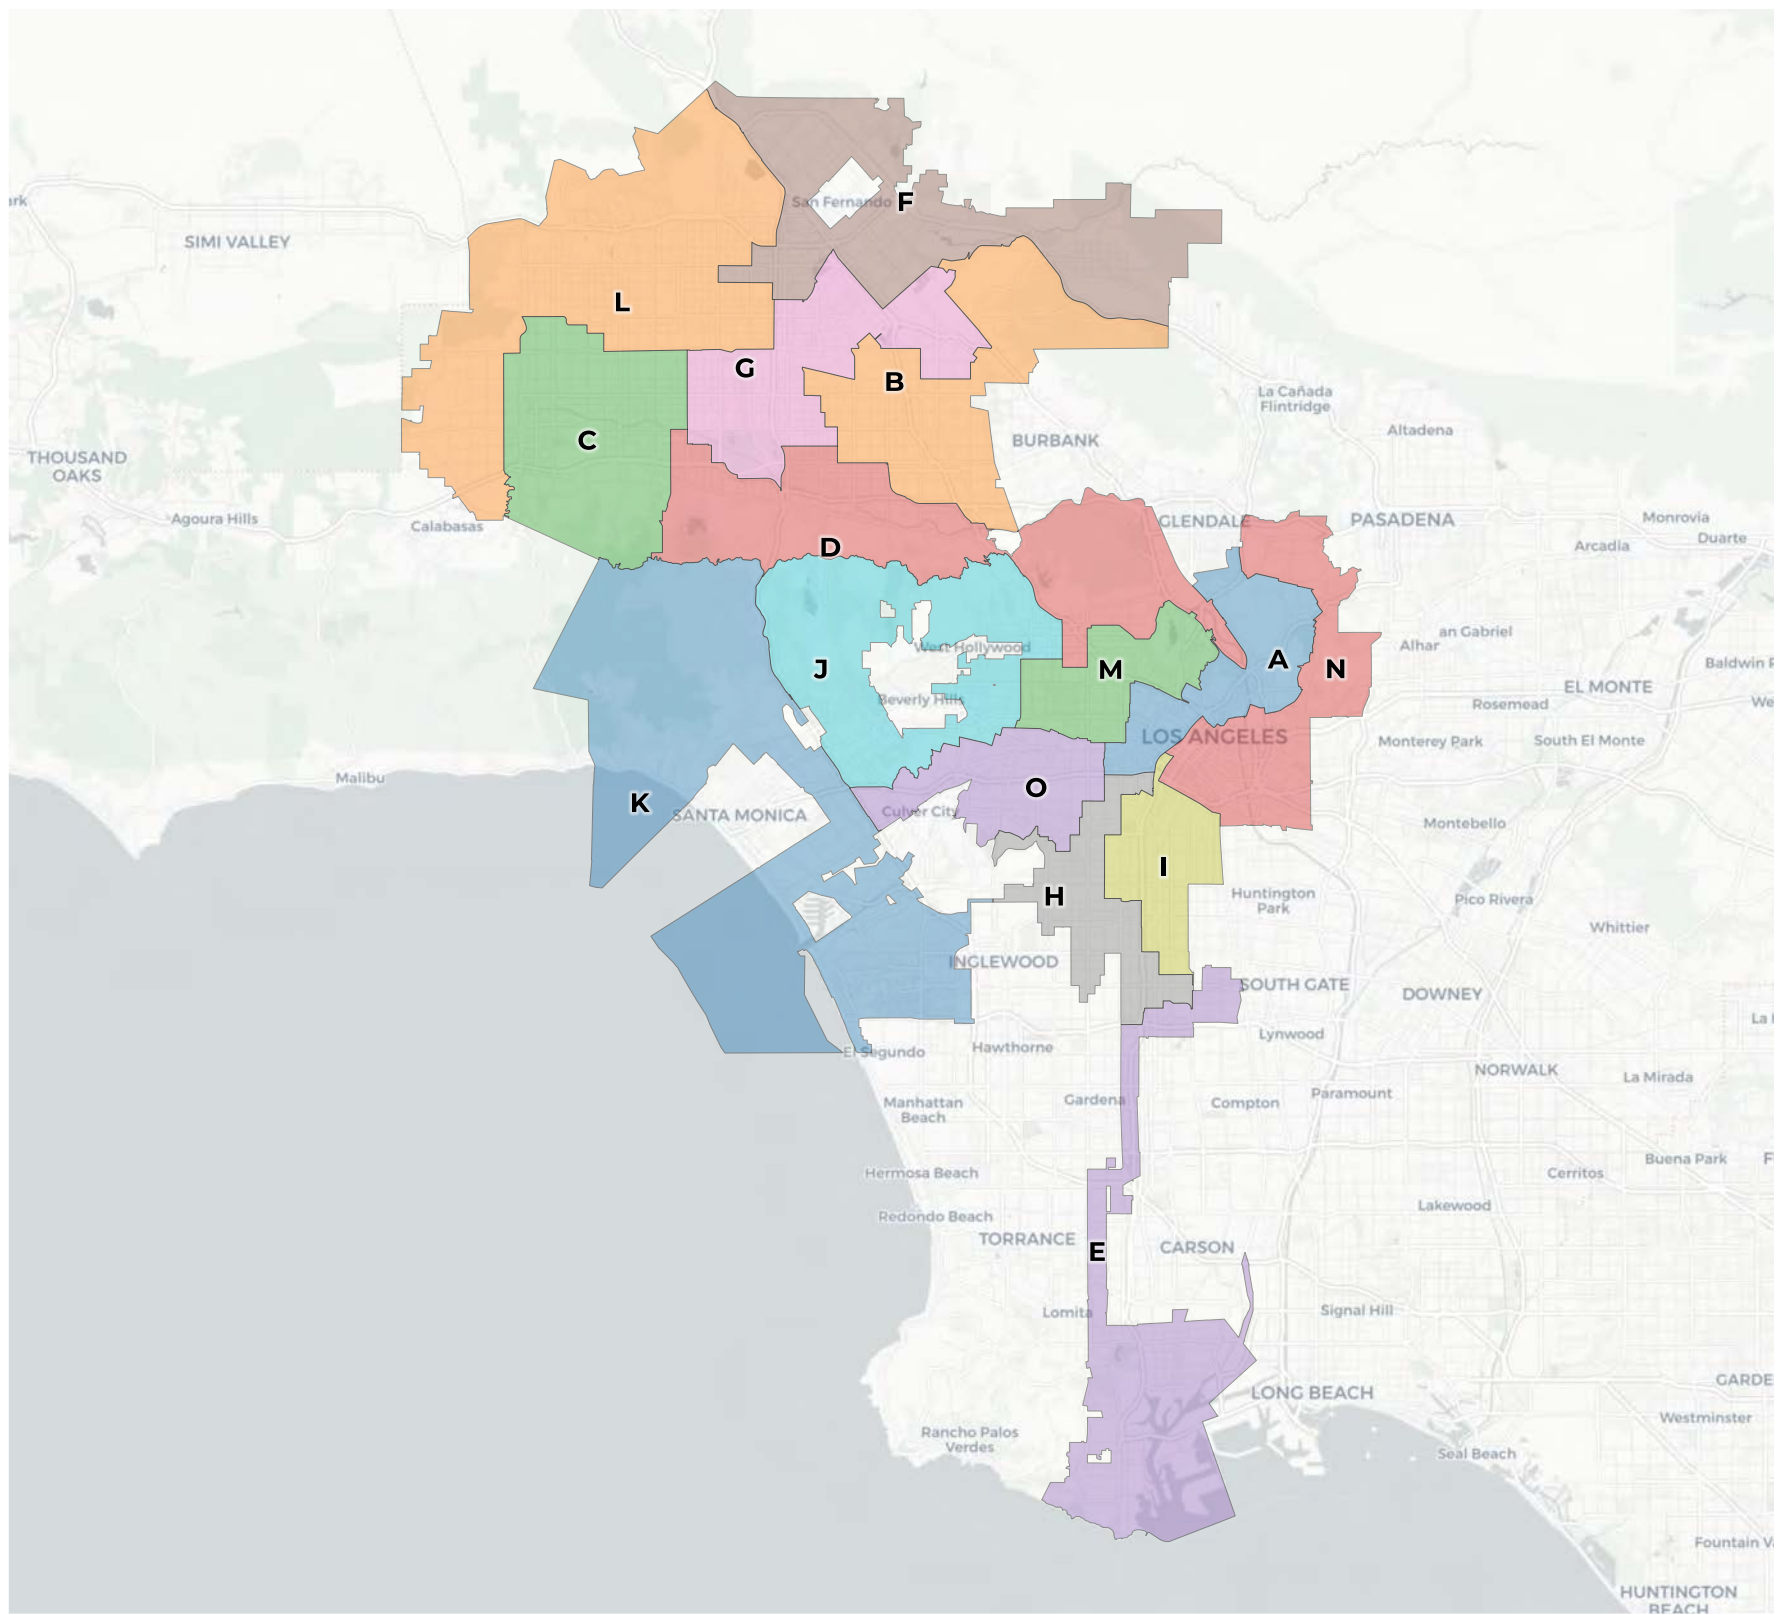

- New drafts I and J based on commissioner discussion for alternate construction
- These plans seek to balance regional preferences, interregional configurations, city charter and Voting Rights Act requirements along with commission input.
- Plan K is an amendment that includes multiple sets of commission input and could be a point for discussion in the public hearing.

These maps are using the Prison Population Adjusted data which was released last week.
